

# David Olson

Our son David Olson became an Eagle Scout in Troop 442 in October, 1982. After graduation, David got a B.S. in Nuclear Engineering from Cal and a Masters from the University of Washington. He is a government employee working at the Naval Shipyard in Bremerton, Washington. He and his wife, Theresa, have 2 children, Andrew (age 6) and Courtney (11mos.). We are very thankful for the training that David received and the discipline he learned in the troop and are sure it contributed greatly to his success both as a father and as an engineer.
